RE: Proposals for Professional Services -
Resurfacing of Clinton Avenue
Resurfacing of Various Streets

DATE: October 2, 2014

Proposals were received from the engineering firms that were awarded annual contracts for the above two projects. Of the eight firms that are included within this group, six firms submitted proposals for these projects.

A summary of the proposals is as follows:

Firm	Project: Resurfacing of Clinton Avenue			Project: Resurfacing of Various Streets		
	Phase 1 - Design	Phase 2 - Contract Administration	Total Fee	Phase 1 - Design	Phase 2 - Contract Administration	Total Fee
LS Engineering Assoc. Corp. Montville, NJ 07045	\$ 14,000	\$ 3,600	\$ 17,600	\$ 21,400	\$ 4,500	\$ 25,900
Neglia Engineering Lyndhurst, NJ 07071	\$ 8,200	\$ 9,500	\$ 17,700	\$ 8,200	\$ 9,500	\$ 17,700
Remington & Vernick Haddonfield, NJ 08033	\$ 9,650	\$ 10,525	\$ 20,175	\$ 21,000	\$ 19,000	\$ 40,000
T & M Associates Clifton, NJ 07013	\$ 11,000	\$ 11,000	\$ 22,000	\$ 11,000	\$ 11,000	\$ 22,000
Pennoni Assoc., Inc. Edison, NJ 08837	\$ 12,750	\$ 10,000	\$ 22,750	\$ 21,750	\$ 12,500	\$ 34,250
Carroll Engineering Hillsborough, NJ	\$ 23,150	\$ 13,500	\$ 36,650	\$ 38,000	\$ 26,500	\$ 64,500
CME Associates Parlin, NJ 08859	No Proposal Submitted			No Proposal Submitted		
Adams,Rehmann & Heggan, Bloomfield,NJ	No Proposal Submitted			No Proposal Submitted		

Based on a review of the above, it appears that the lowest fees for the two projects are those of LS Engineering for the Resurfacing of Clinton Avenue (\$ 17,600) and that of Neglia Engineering for the Resurfacing of Various Streets (\$ 17,700).

For the Resurfacing of Various Streets project, it is recommended that the proposal of Neglia Engineering be accepted at their proposal fee of \$ 17,700.00.

However, in reviewing these proposals it appears that the price quoted by LS Engineering for Phase 2 of the Clinton Avenue project appears to be insufficient to accomplish the task proposed. It is noted that the price quoted is \$ 3,600 while the average cost of the remainder of the proposals for this service averages approximately \$ 9,700. The average number for this service is much closer to the amount proposed by Neglia Engineering and, as such, I would recommend that the proposal of Neglia Engineering be accepted for both projects.

Please review the above and advise how you would like to proceed.
