Re: Township Emergency Fuel Services-Jimmy's Service Center
Date: February 10th, 2022

As of January 1st, 2022 the gas pumps at the Civic Square Firehouse are temporarily inoperable due to needed repairs. As per Fairfield Maintenance the needed repair can take an additional six to eight weeks depending on delivery of necessary parts once further inspection is completed. While in transition till repair we must procure fuel services from Jimmy's Service Center. Without fuel to keep the Township vehicles running this would constitute a threat to public health and safety.

Please approve the procurement of \$150,000 to cover fuel charges through the end of April 2022 depending on the completion date of repairs to the fuel pumps at Civic Square Firehouse.

Please sign below approving this purchase.

Tony Vauss, Mayor
